Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed July 2, 2002, and having a period for response set to expire on October 2, 2002. A Petition for a three-month extension of time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to January 2, 2003.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

**IN THE CLAIMS:**

Please REPLACE claims 1, 2 and 4-10 in accordance with the following:

1. (ONCE AMENDED) A liquid crystal display panel disposed apart from a surface light source device provided with a guide plate having an incidence end face, an emission face and a primary light source supplying primary light which enters into the guide plate through the incidence end face and is emitted from the guide plate through the emission face to provide illumination output light for backlighting of the liquid crystal display panel, comprising:

a liquid crystal layer;

a polarization film; and

a prismatic light control element provided with a prismatic light control face for modifying directivity of the illumination output light, wherein said light control face is directed to the surface
